Specifications	
Marking	6600-29B-B
Manufacturer	Terra Universal
Catalog/Model Number	6600-29B-B
Power Input	120V/35A
Power Output	120V/28A
Control Circuit	Outputs 1 – 5: 8A for blowers Outputs 6 – 10: 120V, 600W for lights Low Voltage Control Circuit: Class 2, 25V, 75VA
Ambient Temperature	50°C
Temperature Rating Of Field Installed Conductors	75°C
Field Wiring Terminal Torque Values	7.8 lbs.
Environmental Enclosure	Type 1
Maximum Control Circuit Protective Device Size Corresponding to the Size of Control Circuit Wire	35A
Marking for Over Current Protection Near Fuse Holder	10k
Pollution Degree	2
